Innsbruck, 21st of September 09

The international snowboard-scene is waiting eagerly for the return of the Billabong Air & Style 09/II to the Bergisel Stadium in Innsbruck with its most traditional discipline, the straight jump. This chosen format and the new setup promise sportive action on a top level and an exciting fight for the ring of glory between the best snowboarders of the world

The Hives and K.I.Z. at the Billabong Air & Style 09/II

Furthermore the fans can expect two musical highlights. The Hives will rock the Bergisel Stadium as the headliner. In 2007 the Air & Style veterans delivered an outstanding performance in Munich. Trademark of the Swedens: always perfect outfits and a powerful appearance on stage.

The guys from Sweden will get support from Berlin. K.I.Z will come to Innsbruck with their Rap/Rock sound. K.I.Z. - that means provoking lyrics paired with dark humor and irony. The four-headed Hip-Hop formation, who released their new album "Sexismus gegen Rechts" this year in July will cause a stir at the Bergisel Stadium on the 5th of December.

The starting field

About ten weeks before the Billabong Air & Style Innsbruck-Tirol 09/II the starting field is filling up. The chance of a Big Air Contest at the legendary Bergisel Stadium attracts the stars of the snowboarding-scene. Peetu Piroinen (FIN/21) – Swatch TTR World Tour Champion 2009 and 2nd placed of the Billabong Air & Style 09/I will be at the start. One of his competitors is Torstein Horgmo (NOR/22) who also gathered Air & Style experience before. In 2007 he made the 3rd place at the Nokia Air & Style in Munich. For the two guys from Austria Werner Stock (AUT/21) and Gigi RUF (AUT/28) the contest will be a home match with lots of fans from their country.
